

# Youthful Parkinson Circle

## Online Session

### Improving Communication & Managing Swallowing

Ms Chia works as a speech therapist in Singapore General Hospital, specializing in the rehabilitation of speech language, cognitive-communication disorders and swallowing impairments in adults. She is currently based in a Rehabilitation Medicine ward and provides services to inpatients in SGH. She also runs outpatient language clinics. Her area of interest is working with adults with stroke, acquired brain injury, and Parkinson's.

**Ms Rachel Chia**

Senior Speech Therapist @ SGH
