Guest Speaker

Ms Alice Chen

Senior Pharmacist,
Singapore General Hospital

Ms. Alice Chen is a senior pharmacist at Singapore General Hospital. After receiving her Bachelor of Pharmacy with Honours from the Monash University (Australia), she developed a keen interest in Neurology during her training and has since been caring for inpatient neurology patients as part of a multi-disciplinary team. Alice is also an activate contributor for the various patient & caregiver support groups conducted by SGH including Stroke, Parkinson's disease, Dementia and Epilepsy.
