

Sing A Different Beat

Mondays
9.30am to 11am
Online via Zoom

Spark Your Love for Singing. Whether you are a singer or non-singer, we welcome you to join us to learn and let music brings joy to your life.

The Singing sessions include vocal training that helps condition and strenghten the vocal chords, creating greater sounding pitch and better voice control.

Our Trainer

Ms Irene Jansen, Director, One Heart One Voice

Ms Irene is a certified Choir Instructor and Vocal Coach and has trained many non-singers to develop their potential and today many of them have the ability to present a song.

She has also trained marginal students both in schools and association and have helped the muscular dystrophy patients and Autism to believe in themselves and sing.
